Plan Is Outlined For Observance Of Donner Party

Jim McIver Will Preside As Judge of Josh Court In Whiskerino

Truckee Post No. 439, American Legion, Tuesday began laying preliminary plans for a Donner Centennial celebration to be held here September 21 and 22, with Commander Daryl Gaiennie in charge of the general committee.

Activity in the centennial plans had been deferred until after the successful Independence Day dance held by the Legion last Saturday night.

A Whiskerino was started this week with the election of officers for the kangaroo court. These included James McIver, judge; Daryl Gaiennie, sheriff; Geno Giovannoni, prosecutor; Hes Cardinal, bailiff, and Frank Giovannoni, defender.

"We have started this whiskerino," Gaiennie said, "to advertise and boost the community. We are asking, on a basis of sportsmanship and civic spirit, that all men in the community capable of growing a beard cooperate. Under the rules a beard may consist of side burns grown to a line with the point of the jaw, an untrimmed mustache and van dyke, or a beard alone.

"In the kangaroo court, there is to be no rough stuff. It's all in good, clean fun and any individual guilty of going beyond the limit will be appropriatey dealt with."

Plans now call for kangaroo court to be held one night a week with "Judge" McIver presiding. When the activity gets under way, tickets will be available excusing men from both growing a beard and appearing in the "court". During the celebration valuable awards will be made for beards in various classifications.

Beside the Whiskerino, the Legion will sponsor a queen contest and many other events in connection with the centennial. Details are to be discussed at greater length at a meeting called for Tuesday night, July 16, in the Veterans' Memorial Hall All members are urged to attend.

In addition to Gaiennie, John Saibini, A. C. Stoddard, Hes Cardinal, William Curran, Max McGwinn, Doug Barrett and H. G. Loehr are on the general centennial committee for the Legion.

WATERS WILL WED BAY CITY GIRL IN NEVADA RITES

Miss Rose Leone of San Francisco will become the bride of William Waters at a quiet ceremony to be performed at Reno on Saturday, July 13. The couple will be attended by Kenneth Foster and Miss Mary Loughlin, both of San Francisco.

Waters, son of Mr. and Mrs. George Waters of Truckee, served in the navy for four years during the last war and has since been employed by the Truckee-Tahoe Lumber Company. Miss Leone has been employed by the telephone company in the city for several years.

Following the rites the young people will make their home in the Bottcher Apartments on River Street.

Waters, who is well known here, is receiving congratulations on the coming event.

New Neons to Brighten Resort at Beacon Hill

Beacon Hill Lodge on Donner Summit will be brilliantly lighted when the neon fixtures are installed on the front of the popular resort. Elmo Moriano announced the latest improvement this week, which is in line with the building he has done this year.

Drunken Woman Driver Fined By Tahoe Justice

Mrs. Jean Shirley Lord, 26, Sacramento, was sentenced to serve 50 days in jail or pay a $100 fine after being found guilty of a charge of driving while intoxicated before Justice of the Peace Evelyn Bliss at Tahoe. A woman companion was fined $10 or five days in jail for violating the county sobriety ordinance. They were arrested by the highway patrol.

At Donner Lake—

Mr. and Mrs. Karl Kielhofer and children PernAnn and Tony, Mr. and Mrs. A. Filipcic of Sacramento and Mr. and Mrs. Jack Jenkins and daughter Lynn of Oakland left this morning for the capital city after a visit to the Kielhofer home at Donner Lake. The place, recently purchased, is known as the West property.

Visit Daughter—

Mr. and Mrs. A. T. Hatch of Plainharte, Calif., are guests of their son in law and daughter, Mr. and Mrs. A. H. Lawson.

On Trip—

Mr. and Mrs. L. C. Kearney and three children of Roseville spent the 4th and 5th of July at the F. F. Kearney home. They were returning from a trip to Texas and Colorado.

Two Killed When Plane Crashes At Tahoe Air Field

Bad Landing Attempt Kills Marysville Men At Sky Harbor

ZEPHYR COVE— Warren B. Rice, 24, and his uncle, Joseph Machen, 44, both of Marysville, were killed July 4 when their light airplane crashed near Sky Harbor Airport during an attempted landing.

Witnesses said the plane bounced hard when it came in for the landing and the pilot apparently sought to take to the air again. The right wing struck the top of a tree at the edge of the airport, and the plane crashed 1000 feet beyond the airport.

Rice, pilot of the plane, was the son of Mr. and Mrs. Lester B. Rice of Marysville. He was a veteran of the army air forces.

Besides his parents, he is survived by his widow and two children, aged four and one. Machen is survived by his widow and a son in the navy.

LOCAL WOMAN ONLY SLIGHTLY HURT IN HIGHWAY ACCIDENT

Mrs. LaVerne Sadacchi, 33, Truckee, suffered only minor injuries Sunday evening when she was struck while walking on the highway in the west section of town by a car driven by Wynton C. Clark, 38, San Carlos contractor.

According to State Patrolman William Gautsche, who investigated, Mrs. Sadacehi and Anthony Pasquini of Bakersfield were walking west and the former started to cross the highway. Just as she stepped out onto the pavement, witnesses said, the car struck her. Gautsche said she was walking on the wrong side of the highway at the time.

Constable N. F. Dolley was called and took the injured woman home in the ambulance.

Our Country, Besio's Son Share Same Birth Date

Independence Day, July 4, is also the birth day of Steven Anthony, son of Mr. and Mrs. Angelo Besio, who was born at Reno, Nevada. He is the first child of the local couple and tipped the scales at 8 pounds and 5 ounces.

Jim Gowing Is Speaker At Rotary on Monday

An entertaining and instructive talk on amateur photography was given at the meeting of the Rotary Club Monday night by Jim Gowing of Deer Park Lodge, who gave a display of his equipment and showed samples of largements. Gowing is a photographer only by hobby. Guests at the meeting included John Gallerani and A. J. Ketman of Tahoe.

Visiting Rotarians were W. H. Morgan, Fred Adams, George Briggs and John Claus of Sacramento; Harry Rollins, M. A. Hollenbeck and Otto Fox of Auburn; Harry Whitcombe of Davis; Charles Black, Lodi; Irving Williams, Bakerfield; Judge Faulkner, Burlingame; Ray Lovett, Bob Schmitt, Palo Alto; Chet Hendricks, Bill Mayhew, Walnut Grove. Jack Wolert presided and Bill Boorman was the program chairman.

Cottage Beauty Shop Will Take Night Appointments

The Cottage Beauty Shop located on Church Street is being opened today under the management of Jacquelyn Rasmussen, an experienced operator. On Tuesday and Thursday evenings appointments may be had until 9 PM. Miss Rasmussen has held similar positions in San Francisco and is familiar with different types of beauty work. She visited Truckee a number of times at the home of her aunt, Mrs. N. S. McCrary and saw the possibilities of a new business in this vicinity.

Sisters Session—

There will be a meeting of Summit Temple No. 79, Pythian Sisters tonight at 8 PM in IOOF Hall.

Birthdate—

Mrs. Frank Giovannoni celebrated her birthdate on Monday, July 8.

Anniversary—

Mr. and Mrs. Daryl Gaiennie's wedding anniversary occurred July 9.

On Leave—

Pvt. Ralph Garcia was home last week on leave.

By WALTER M. BARRETT

The development of Donner Lake as proposed by the Donner Lake Development Company promises to be one of the most important improvements this region has enjoyed for some time. For many years the region surrounding Donner Lake has been more or less sequestered and only a few homes have been constructed. Now, however, the new owners are building roads, construct ing facilities for winter and summer recreation seeksr and have opened the 1600 acres up for purchasers for home or business. It seems altogether fitting that this development should occur as the region prepares, through the sponsorship of the Truckee American Legion, to observe the 100th anniversary of the Donner Party tragedy. Many of that unfortunate group perished on the same grounds where a large crew of men now breaks ground for streets, homes and businesses.

Speaking of the Donner Centennial, brings to mind that those boys who are now rightfully taking over the reins of the American Legion are really up and at 'em. We sincerely hope that their plan for a bang-up celebration late in September commemorating the 100th anniversary of the Donner Party is a resounding success and we hope that every business firm in Truckee gets behind them to the limit to make the affair one to be long remembered. The Legionnaires have the ambition and ability but they will need the moral and no doubt the financial support of the whole community and this should be forthcoming without hesitation. The observance will mean a lot to Truckee and we should all do what we can to see that it is put over in a big way.

Despite the fact that thousands of vehicles formed a constant parade on Truckee and Tahoe highways over the holiday weekend, there were no serious accidents, a record we hope will continue to stand.

Grass Valley Accountant To Serve Local Firms

Hugh D. Brown, Grass Valley accountant, was in Truckee yesterday with Don Rademaker preparing to inaugurate an accounting business here. Brown is an expert in tax matters as well as a thorough accountant and already has developed a local clientele. Anyone wishing the service of Brown and his staff, who will make monthly visits to Truckee, may contact him by mail or telephone.

State's Help to Schools Up 44.1 Per Cent in Year

Elementary schools in Nevada county received $145,759 in support out of the state treasury for the 1945-46 fiscal year, California Taxpayers' Assocation said this week.

The 1945-46 state support showed an increase of 44.1 per cent over the $101,178 state apportionment for 1944-45 and 21.6 per cent more than the $119,832 for 1942-43.

The 1945-46 average daily attendance of the elementary schools of the county was 1,520, 12.3 per cent less than the 1942-43 average daily attendance of 1,733.

For fiscal 1942-43, state support was on the base of $60 per pupil in average daily attendance; for the next two years it was on a $66 base; for 1945-46 the base was $80. During this period, state support of high schools has been on a $90 per pupil base.

Kearney Visitors—

Mr. and Mrs. John Hickle of Porterville visited the F. F. Kearneys over the 4th. Hickle is an uncle of Charles Gates.

Visiting Brother—

Herman Wilkie of Alameda and Dutch Flat is visiting with his brother, W. F. Wilkie, and family.

White House Guests—

Mr. and Mrs. C. B. White, Jr., and daughter, Marilee, are guests at the C. B. White's this week.

From San Bruno—

Ben Lucchesi of San Bruno was a visitor at the home of Mr. and Mrs. John Moro this week.

Miltons at Tahoe—

The M. C. Miltons of Oakland arrived in June at their Tahoe home

50,000 Rainbow Placed In Club's Truckee Ponds

Frank F. Kearney Is Again In Charge of Rearing Trout Fry Here

Fifty thousand rainbow trout fry averaging 30 to an ounce were put into the Truckee Outdoor Sportsmen's rearing pond Tuesday and Wednesday by a crew under the direction of Allan F. Pollitt, in charge of the Tahoe hatcheries.

Pollitt said that the clam hatch which destroys young trout in the river has disappeared and there is no reason why the fish placed in the pond this week shouldn't develop well.

Frank F. Kearney, who last year did such a splendid job of caring for the trout, will officiate again this year, taking care of his 50,000 fish until they are ready to free into the river late in October. Feed will be provided by the sportsmen.

The transporting from the Tallac hatchery to the pond was accomplished with only one mishap. The Truck driver was misdirected and wound up on a road east of Hirschdale. The resulting delay caused the loss of one can of 1800 fish. This loss was made up later, Pollitt said.

The local rearing pond has been completely gone over by Kearney who has replaced the screens and patched holes from which 20,000 small fish escaped last year.

Experiment with 500 trout kept in the pond all winter does not justify repeating the attempt, Pollitt said. While most of the 500 survived under Kearney's expent care, they did not develop as had been hoped and when freed recently were not much larger than they were last fall.

Little Presides at First Meeting of Local Lions

R. N. Little, newly elected president of the Truckee Lions Club, presided for the first time at the meeting last night during which Daryl Gaiennie, commander of the Truckee American Legion, outlined tentative plans for the Donner Centennial celebration here in September.

Guests at the meeting included Floyd Smith of Fresno, Tom Sheehan and Gaiennie of Truckee; Reese Clark, Berkeley; Jack Riley, Grass Valley and John Sondermann, Battle Mountain, Nevada.

13 Injured, Two Fatally On Highways In June

During the month of June there were 13 people injured in the 14 vehicle accidents reported in the Truckee area, according to a summary made by Patrolman Willliam Gautsche. Two of the injured, Mr. and Mrs. Harry Collier, died later in a Reno hospital.

There were 141 citations issued by the local patrolmen during the month in an effort to stem the increasing accident toll.

San Francisco Woman Cited for Stopping Car

Mrs. Agnes Compton, 50, San Francisco, was cited by State Patrolman William Gautsche Monday following an accident on Donner Grade in which Mrs. Compton's car figured According to witnesses, Mrs. Compton stopped her car in line of traffic and a Greyhound bus following attempted to pass and met a car driven by William Norman Sears, 31, San Francisco. The bus struck both the Compton and Sears cars. None was injured.

Back at Post—

Calvin Sassarini writes he is back at his position as principal of Forestville Union School after lengthy service in the armed forces.

From Battle Mountain—

Mr. and Mrs. Eric Sondermann of Battle Mountain, guests of Mr. and Mrs. M. S. Franzini, will leave for their home tomorrow.

Morris Transferred—

Mr. and Mrs. Robert Morris and family, formerly of Truckee, are now in Weaverville where the former is employed by Bank of America.

Luck Guests—

Mr. and Mrs. E. S. Dunton, their daughter Bonnie, and Barbara McGrew all of Woodland were here over the recent holiday as guests of Mr. and Mrs. Robert Luck.

Telephone Gain Reflects General Local Condition

Traffic at Tahoe, Truckee Nearly Double Since Same Time in '45

Long distance calls from the Lake Tahoe section have shown a sharp increase over last year, according to A. P. Leitch, manager of the Pacific Telephone and Telegraph Company.

In 1945, during the month of June, there were about 700 calls per day from Lake points. This year for the same period about 1270 calls per day are being handled. That this increase in business was anticipated is shown by the fact that operating forces at Tahoe have been increased from 22 as of last year to 33 this year.

To care for increased demands for service an additional section of switchboard has been installed at Homewood and another at Tallac.

Leitch also brought out that Truckee is experiencing telephone growth. There are now 410 telephones connected to the Truckee exchange. In the first five months of this year Truckee gained 55 telephones.

Long distance traffic has also shown a decided increase here. Last year during the month of June the daily average was 200 calls. For June this year the daily average was 325. Fifteen operators are now employed in Truckee as against seven in 1945. A fifty per cent increase in July and August in long distance traffic is expected over last year.

ILLICIT FIREWORKS CAUSE ONLY FIRE ON 4TH IN AREA

Only one forest fire was reported on the Truckee District of the Tahoe National Forest over the 4th of July holidays, reports Fire Control Assistant Ralph Throop.

The one fire was at Polaris Spring, three miles east of Truckee and was caused by prohibited fireworks. It was reported to the Forest Service by Charles Homer of the state plant quarantine station who saw the fire just after dark while on his way to work on the night of the 4th. He reported that when he passed, the fire was being extinguished by some of a party parked at the spring.

This fire was on a grass covered hillside above the road and had it not been promptly put out, would have reached serious proportions and might have threatened the quarantine stateion. The remains of a spent skyrocket was found at the scene of the fire and the remains of both fired and unfired dangerous fire works were found beside the road where the party had parked to set them off

The many visitors to the forest over the holidays are to be commended for the care they showed with fire on the forest, and a continuation of this care is necessary as the season is becoming the driest in years, states Throop.

Greyhound Bus is Burned, Passengers, Luggage Safe

RENO— A Greyhound bus burned near Fleisch, just over the California state line, July 4. All 38 passengers escaped with their baggage.

Passengers said they had noted an odor of smoke some time before the bus was stopped. A few minutes after it was emptied it exploded in flames. Elwin U. Mainard of Porterville was the driver of the bus.

The explosion set brush afire along the highway and three fire engines were called. The fire started above the rear axle.

Truckee Trio Celebrate 4th Too Much, Jailed

Voley Jefson, Vernon McKay and Lillian Bandur, all of Truckee, were sentenced to serve 30 days each in the county jail by Justice of the Peace C. E. Smith on a charge of violating the county sobriety ordinance. They were arrested by Constable N. F. Dolley following too much 4th of July celebrating.

At Beacon Hill—

Elmo Moriano of Beacon Hill Lodge went to San Francisco this week and plans to return with Mr. and Mrs. T. Moriano, his parents, and his sister, Mrs. Vincent Breen, and her children, Pat and Carol.

Development At Donner Started By Large Crew

Vision of Jerry Lewis Credited with Start of Development

Purchase of 1600 acres surrounding historic Donner Lake by a group of influential Reno businessmen to be known as the Donner Lake Development Company was announced yesterday by Norman Biltz, prominent Reno developer, who said that work at the historic site where 100 years ago the ill-fated Donner Party made history, is now well under way.

The company purchased the property which embraces the entire lake shoreline, except for 100 feet owned by E. C. McReynolds of Truckee, from the Donner Lake Company of San Francisco, which held title for more than 25 years.

The principal share holders in the new company are Biltz, Chester Emmons and Henry Trevor all of Reno Negotiations for the purchase of the property were handled through Stanley Dollar, Jr., of San Francisco and the purchase price was said to have been $250,000.

Will Spend $200,000

The company plans an expenditure this year of an additional $200,000 as the first step in plans to develop the area into one of the most attractive resort areas for both winter and summer.

A total of 86 men are working under the direction of Jerry E. Lewis supervisor in charge of construction, who is credited with planning the entire development, building roads and clearing beaches, moving buildings and preparing for actual new construction.

To Build Motel

The plan calls for early completion of a motel at the west end of the lake and the erection of a winter sports park at the southwest corner near the motel. Already two and a half miles of road down the south side of the lake has been graded and the trees and underbrush have been removed in preparation for a four and a half mile highway which will give access to all portions of the picturesque lake.

Sites Being Sold

Home sites are already being sold in a brisk deal which was only recently started. Restrictions on both home and business sites are being enforced and all structures must conform with the scenery and be of rustic type. Three and a half million board feet of lumber will be made available to site purchasers through a mill to be erected soon.

Trevor said that the lake will eventually develop into a sportsmen's paradise unexcelled in beauty anywhere. The sites, he said, should appeal particularly to Nevada and Sacramento Valley residents because of their accessibility and convenience.

Lewis Gets Credit

Lewis, widely known here for nearly 10 years he was associated with Henry J. Kaiser as foreman at Tahoe Pines, came to California from his native New York and more than five years ago saw the possibilities at Donner Lake. He presented his plans to Biltz and together they worked out the organization. Biltz is prominently known through Nevada and eastern California for his successful developments which have included Crystal Bay and Cal Neva at Tahoe and numerous other resort, industrial and home tracts.

Further Plans

J. F. O'Connor of Nevada City is in charge of the survey work at Donner Lake while the grading operations are under the direction of Edward O'Malley.

Still other plans for improving the region through the erection of a hotel and retail outlets will be announced as they are completed. An extensive advertising campaign is one of the immediate proposals, according to Bill Barry, Reno publicist, who was here looking over the development this week.

Christian Science Group Again Holding Services

Christian Science services were resumed on Sunday, July 7, in the Wyethia Club house and are being held each Sunday morning at 11 AM by permission of the board of directors of the Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

Four Women Leave Here For Jaunt Into Alaska

With Fairbanks, Alaska, as their destination, Mesdames W. G. Notley of Bakersfield, Mary Zunino of Truckee, Nicolas Kerhoulas of Marysville, and John C. Nielsen of Fairbanks left yesterday morning for Davis. At Seattle the party will take a boat to Seward, Alaska, then a train north.

Mrs. Nielsen will pack household effects to be shipped here and the group will return in her car on the Alcan highway. They plan to take in all points of interest en route.

Mrs. Notley, Mrs. Nielsen and Mrs. Kerhoulas are the daughters and niece of Mrs. M. Coleman of Truckee.

RESPECTS PICKET LINE, IS DENIED INSURANCE PAY

SACRAMENTO— Another precedent making decision arising out of the machinists's strike in San Francisco last fall was signed Friday by members of the California Unemployment Insurance appeals board.

The board's decision denied insurance to a claimant who refused to cross a picket line duing the strike.

Evidence in the case, members of the board said, indicated the claimant refused to avail himself of police protection to pass through a picket line with the statement: "I didn't feel I wanted a police escort to go to work." The evidence further indicated that other workers escorted into the plant by police were not molested and that the claimant did not attempt to join the group.

Members of the board said the claimant's refusal to cross the picket line was a voluntary choice and, therefore, under previous State Supreme Court decisions, claimant is barred from receiving insurance.

The board pointed out further that the case should be distinguished from a recent decision which held employees actually barred from an establishment by hostile picket lines were entitled to benefits. In the previous case there was an entire absence of any protection afforded workers, the decision said.

The elk is more properly called the wapiti.

HANG ON TO THAT PIECE OF PAPER VETS CAUTIONED

SACRAMENTO, July 11 —(UP)— The state department of veterans affairs pointed out today that many veterans are being delayed because they cannot produce their original discharge papers.

Veterans who have lost their original discharge papers will not get another certificate, the department said, but they may apply to their former branch of service for a certificate "in lieu of discharge."

The department said it often takes as much as three months to obtain the substitute evidence. Veterans not discharged but "released to inactive duty" may use their notice of separation as acceptable evidence in obtaining benefits.

Free Prescription Service For Service Disabilities

SACRAMENTO, July 11 —(UP)— The state department of veterans affairs reported this week it has contracted with the California Retail Druggists Association to provide prescriptions free to veterans with service-connected disabilities.

A Michigan service station went on 24-hour operation as a service to anglers at the opening of the fishing season in that state and reported a sales increase of 7,000 of gasoline in a month.

NEVADA DIVORCES PLACED IN DOUBT BY HIGHEST COURT

LOS ANGELES— A decision passed down by the California Supreme Court places the quick divorces obtained in Nevada by Californians in jeopardy. The court ruled that a Los Angeles woman may file for divorce in spite of the fact that her husband has already won a decree in Reno.

It was ruled that a Nevada divorce cannot be recognized here when granted to a person who establishes residence in that state only for the purpose of th suit.

Barring strikes, auto industry now now expects to produce 2,000,000 cars in 1946, more in '47 and hit full stride in '48.

Presidential Quiz

By Major Wm. G. Murdock

1. What Vice Presidents were 33rd degree Masons?

Geo. M. Dallas

2. Which President was sworn into office by his father and under what circumstances did this take place?

3. Who was the first Republican President to appoint a former Confederate soldier to his cabinet?

4. What Vice President who had not attended the convention which nominated him, received the notification committee in his night shirt?

Answers

1. Tompkins, Breckenridge and Thomas R. Marshall were 33rd degree Masons.

2. Calvin Coolidge. He was at the home of his father in Vermont when he received news of President Harding's death during the night.

3. Rutherford B. Hayes appointed Gen. D. M. Key of Tennessee, as postmaster general. Key had opposed Hayes at the election.

4. George M. Dallas.

LOOK *to Greyhound first for*

MORE FREQUENT SERVICE

Most bus travelers will tell you the one thing they value most about Greyhound service is its *convenience*. They like to be able to go ... and come back ... when they *want* to.

Greyhound recognized this important fact from the start ... planned and *acted* accordingly. Result: Greyhound, today, has built up a truly amazing frequency of daily service *unequalled by any other system of intercity transportation!*

This achievement in public service has taken years of pioneering experience, a great fleet of buses, willingness to accept financial risk ... and, most important, real faith in the future of the communities Greyhound serves. For Greyhound looks ahead, and often increases frequency of service *before* increased patronage exists.

Greyhound *knows* your community ... has confidence in its progress ... and will continue to *anticipate* its growing transportation needs in the years ahead by providing better, more frequent service than ever.

TAHOE BRIEFS

by SWANEE

The lake level on Monday stood at 6228.78 with 219 CSF of water leaving the gates in town. Hottest day of the past week was on the 4th with 79 degrees registered and coolest was on the 3rd with 39.

Mr. and Mrs. Theodore Schlueter of Tahoe Park observed their 3rd wedding anniversary on July 4th by enjoying dinner at Cal Neva. Mrs. Schlueter's sister, Mrs. Vivian Nelson, accompanied them.

Mrs. Dorothy Morhain of the Tahoe telephone office has moved into the cottage on the circle in town, just vacated by the William Boormans who are building a new home in Fairway Terrace above the golf links.

Inspector Harvey Blackwell of the highway patrol, who with his wife owns a summer cottage near the Tahoe Fish Hatchery, has added his voice to the many who are regretting the retirement of Mrs. Evelyn Bliss from the office of justice of the peace.

Andrew Harden, Hollister athletic coach who is instructor for the swim lessons being given through Red Cross aid each day at Tahoe City, is more than gratified at the interest being shown in the water safety program. He indicates his class now numbers in the 80's with more registering daily. Instruction is free and all are welcome to join.

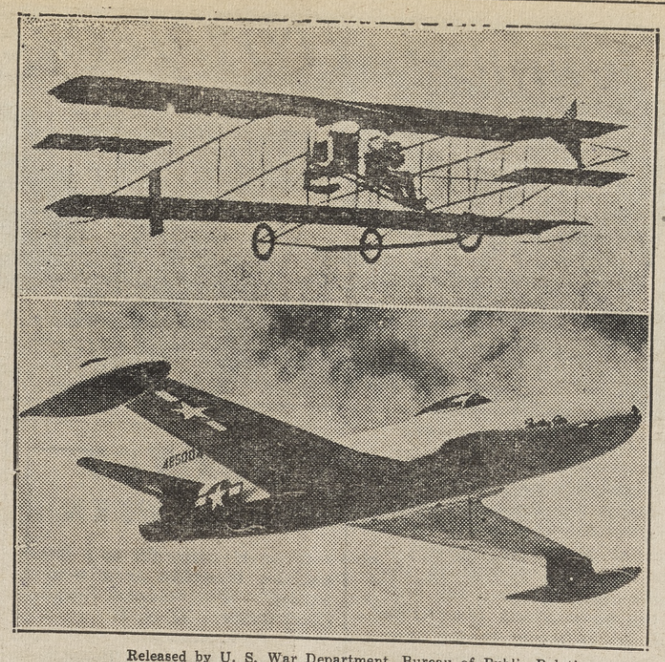
Family and friends of Mrs. Verne Daniels of Las Vegas, sister of Mrs. A. M. Henry of Tahoe and daughter of Mrs. Mary Planett of Verdi, the former Celeste Planett, are relieved to learn that she is recuperating satisfactorily at her home from a recent serious operation which required a number of blood transfusions. Mrs. Daniels was Tahoe correspondent for the Truckee Republican some 15 years ago and still has many friends and acquaintances in this region who wish her speedy and complete recovery.

Mr. and Mrs. Dyke Moore and their children, Shirley and Dennis, of Pollock Pines, visited friends at Tahoe, including the Henry Solls, on Saturday last. They made the trip around the lake and enjoyed a picnic lunch along the way. Shirley will complete her business course in September and Dennis graduated from high school on June 12th last. He is seriously considering enlisting in some branch of service before continuing his education.

Mr. and Mrs. Si Pierson of Oakland were guests at Tahoe Park Cottages recently for several weeks.

Mr. and Mrs. Earl F. Walker of Santa Barbara arrived last week at their home in Timberland Tract where they plan to spend the summer months. Both teach in the schools at Santa Barbara.

Charles Krueger of Beverly Hills, father of Mrs. Floyd Carnell, is now reported recovered from his accident which sent him to a hospital with serious had injuries the day before his wife's funeral. He is able to conduct his contracting business and inspect his building projects and suffers no permanent injury from the accident.



Released by U. S. War Department, Bureau of Public Relations.

HUDSON VALLEY SEES ANOTHER HISTORIC FLIGHT—The Army Air Forces P-80 Shooting Star, powered by an I-40 G-E jet motor, will retrace the aerial route blazed along the Hudson River Valley by Glenn H. Curtiss 36 years ago. The flight was scheduled for the afternoon of June 21 at the opening of the General Electric Company's air research demonstration. Curtiss in his little biplane (above) made the trip from Albany to New York City in two hours and 51 minutes. His average speed was slightly over 50 miles an hour.

The Shooting Star (below), piloted by an AAF officer, covers the same distance in approximately 15 minutes. The route of the new jet plane is from above the City Hall in New York up the valley to the State House at Albany and thence in a two-minute flash to the Schenectady County Air Port. Flight operations of advanced types of AAF, Navy and civilian planes begin this national demonstration.

There was much fanfare in Curtiss' pioneering achievement in 1910. He won the $10,000 prize offered by Joseph Pulitzer for the flight from Albany to New York under 24 hours and comparison was made between his flying time and the historic voyages of Henrik Hudson and Robert Fulton over the same route. Hudson's time in his sailing vessel the "Half Moon" in 1609 was five days, while Fulton's run in the steamboat "Clermont" in 1807 was 32 hours.

CROWD SEES BOAT RACES AT TAHOE; MORE IN AUGUST

TAHOE CITY— The first boat races staged by members of the Tahoe Boat Club on Sunday, June 7, were impromptu and a token performance only. Hundreds of vacationists lined the shores and crowded the pleasure pier in front of the Tavern to watch the trim little boats churn up the choppy waters but a stiff breeze which kept the water rough prevented a first class race.

First race of the day was between 95 hp Cris Crafts, Miss Linda owned by Hal Sharrow of Santa Rosa, who placed first, and the Rustelle owned by Mrs. R. C. Ryan of Tahoe and driven by Carl Bechdolt Jr.

Second race was taken easily by Chet Slinger of Palo Alto in his brilliant red hydroplane. His only other opponent was James Carter of Los Angeles, who drove the Miss Peggy, winner of the third place at the 4th of July races at Lake Merritt. Carter ran into difficulties and dropped out when his 135 PODH failed to pick up water, no check valves having been installed. The small craft is suitable only for smooth water performance and proved its mettle recently on the Salton Sea where she was clocked at 52 miles per hour.

In the 17 foot class Ralph Hansen's Princess Rae, driven by Joe Bullock of Atherton placed first.

The large Garwood class was won by Ranjac III, driven by Herbert Obexer of Homewood, the boat belonging to Mr. Phelan of Bijou; Metcalf's Tecolote placed second and Lou Marston's Marlad, driven by Brooks Walker came in third. Frank Fuller's Water Wagon dropped out due to motor trouble.

The famous Tahoe "bang and go back" race went to Garwood Mary Elizabeth owned and driven by Earl Schentz of Sacramento and second place was won by Jim McClatchy.

Young Mickey Flagg of Tahoe climbed to the roof of the announcers' booth and dropped the white flags when instructed, denoting the time to turn back. This is usually done by firing a gun on the shoreline but no guns were available and preparation had not been made to secure one.

Dave Chambers of Chambers Lodge was starter and Bud Scott was announcer. The plane of Mr. Stetson of Emerald Bay, riding on pontoons in the harbor, added a modern touch to the regatta.

The Tahoe Power Boat Association promises the residents of Tahoe a real race later in the summer, probably during August, when boats can be tuned up to perfection, a procedure which requires time. At that time it is hoped Stanley Dollar Jr. can have hisi new racing craft ready for entry. It has a Ventnor's type hull and Packard aircraft engine and under favorable conditions can do better than 75 miles an hour. This should give any boat on the lake and any outsiders entering a real run for their money and promises some exciting moments ahead.

'Tis said Henry Kaiser's Hornet will be undergoing some pepping up and possibly installation of powerful new motor. Her enviable racing record over past years should give her competitors something to worry about.

Fred Main of the Tahoe Boat Company has sold about 20 boats this season, nothing under 17 feet long, and ranging up to 25 feet pleasure cruisers. From now until race time, his huge boat house will be packed full of trim Tahoe racers, all undergoing expert repair and tuning up, a service he and his mechanics are so ably prepared to render.

Never has Tahoe seen such enthusiastic interest in motor boats of all types, and races of the future should produce some outstanding contests, all that is now needed being organization and cooperation.

TAHOE SKI CLUB IS ASKED TO PASS ON NEW CLUB'S NAME

TAHOE CITY— President Ray Fellows of the Lake Tahoe Ski Club will be calling a meeting within a few days to place before the directors and members a letter which arrived last week from Albert Sigal Jr. of the California Ski Association. He wrote that the peope of the southern Nevada end of Tahoe have banded together and formed a new ski club with officers already elected. Carl Messelt, former president of the Douglas County Ski Club, is president; Bill Barry, vice president; Tom Wilson, secretary; Denny Woods and Fred Elkins, directors.

The new organization has written the state association applying for membership under the name of Tahoe Village Ski Club. The secretary of the Lake Tahoe Ski Club is requested to write indicating whether members approve of the new club's name. A survey among local members indicate they will ask the word Tahoe be eliminated from the name to avoid confusion with the established club in competition. No objection to the formation of the new club or to its admission to the association was expressed. No formal vote has yet been taken.

Another proposal of interest has been made members of the Lake Tahoe Ski Club by members of the H&W Club of Meeks Bay, that should the latter's plan to move their clubhouse at the Bay nearer to Tahoe City prove feasible, the ski club would be permitted to share use of the hall with the H&W equally, providing they would share the expense of moving it. Fellows will place the matter before the club at their next meeting.

STUART PYLE, ONCE TAHOE BOY, EARNS NAVAL DISCHARGE

AUBURN— Stuart T. Pyle, son of Mrs. Anna Pyle of Auburn and formerly of Tahoe City, was discharged from the navy recently at the personnel separation center in San Francisco. Pyle held the rank of ensign at the time of his release.

LAKE CONSTABLE IS HANDICAPPED BY LACK OF LOCK UP

TAHOE CITY— Constable Harry Johanson reports he is making an average run of 100 miles a day in the performance of hsi duty as constable and on his night patrol run. During June, 36 drunks were picked up, but turned back upon the public because no jail is available here. Eleven thefts and three burglaries were committed during June, part of the loot being recovered by Johanson.

Actually, thousands of dollars in fines are being forfeited by the county because Tahoe's jail is not completed. Could offenders be kept over night, a fine could be collected from them in justice court and Placer County would be considerably richer. Turning them loose again upon the public, the only course left open to the local contsable, is not the proper manner in which to dispose of such minor offenders. Action on the completion of the local bastille should have high priority with the county board of supervisors.

Tahoe Letter

From SWANEE

Tahoe City, California.
July 8th, 1946

Dear Tahoeites—

Write you on Monday this week after an exciting and interesting 4th of July weekend. The weather cooperated with vacationists and those who spent their holidays here were well rewarded. Literally thousands chose Tahoe, as local highways accomodated an almost endless stream of cars. It was an orderly 4th, too, as Tahoe Park Ranger Station was not called upon to put out one fire and Constable Harry Johanson reports the public, with the exception of a few minor disturbances, behaved itself well on this, the first postwar observance of our Nation's birthday.

Reminiscent of the good old days was the program staged by the executive committee of Tahoe Tavern Co., who offered excellent entertainment to the hundreds of persons crowding their resort and grounds over the 4th, 5th, 6th and 7th. Tennis in the morning on the tavern courts, in the afternoon a water ballet, fashion show and variety show review presented by the help from the dining room, which was well received and rib tickling. It was so popular in fact that it was repeated Sunday afternoon before a large crowd. Thousands packed the shoreline on the night of the 4th at 9:00 PM as fireworks, secured from an unexpected source, provided a dazzling pyrotechnic display, the scintillating, vari-colored lights reflected in the quiet waters of the lake.

On Sunday the speed boat races, described in fuller detail elsewhere in the Sun, drew a large crowd of sporting enthusiasts to the long tavern pleasure pier wher this year an indoor office greatly facilitated the broadcasting of the races and lightens the duties of the officials. The water was quite rough as a brisk breeze blew and neither Henry Kaiser's Hornet nor the new Stanley Dollar speedster put in an appearance. Due to the brief period of preparation for the races and the inability of various boat owners to leave their businesses at this time, entries were not as numerous as usual but the Tahoe Boat Club, according to present plans, will hold a regular full dress regatta probably in August, with many of the beautiful new boats belonging to newcomers to make their first appearances.

Daughter Jackie is now working at Homewood, where the new snack bar and soda fountain, under the supervision of Max Eckert, Jr., is doing a thriving business.

Son-in-law PFC Bill Steenis is back for a 15 day furlough again and is hoping to have an extension granted before time for departure arrives. He is iresting with daughter Maria at the lovely riverside estate of Mrs. Elizabeth Walker and has gained weight.

Had a pleasant surprise last week in the form of a newsy letter from our old friend, Fred Hughes, formerly with the Tahoe Sierra Pacific Power Company crew and a member of the 10th Mountain Infantry. Fred secured his power shovel, described as three quarter yard size, and has been working on putting it in operation and is now waiting for some jobs. He had originally intended doing placer mining but the season in Colorado's hills is so well along he gave it up, as additional equipment is hard to get. He's still a bachelor and looks like he will remain that way for some time to come. He sent along a package of war souvenirs, with several nice articles for little grandson Bill which should please. I've a notion Fred regrets not returning to the lake for the summer, as I've an idea his old job would have been far more interesting than what he's doing. But there's always another summer, and am sure his old pals will welcome him back, whenever he does decide to come. He sends best wishes to all.

Had a nice letter from another Tahoeite who is now living in Redlands. He is Donnie Cowell, son of Mr. and Mrs. Fred Cowell, from whom I last heard in Honolulu. Don has been keeping in touch with his Tahoe friends through the medium of the Sierra Sun, which he has been reading for a long, long time. He writes that he was returned to the States from France last December and was discharged shortly after in New York, following five years of service. He's now back at his former occupation of veterinary technician. Says he doesn't like southern California much, probably because he's a northerner at heart. He enclosed a check for two memberships to the Lake Tahoe Ski Club, one for himself and one for a friend, Lina Gunthart, also of Redlands, having read where a drive for new members was being staged bewteen the 1st of July and the 15th. He still carries his Tahoe membership card, issued way back in 1941, also a card of a club in Switzerland which he joined during a winter vacation on service there. Thanks, Donnie, and welcome back into the fold once more.

A surprise arrived last week when a card announcing the arrival of a little son, George Gregory, was sent me by Mr. and Mrs. George Hatwig of Berkeley. She will be remembered here as the former Betty Woodruff, daughter of the Jess Sisks, former caretakers at the E. B. King place. The little fellow tipped the scales at 6 pounds, 15 ounces and arrived at 2:36 AM on June 22nd. Mother and baby were reported doing satisfactorily.

Another interesting letter was received last week by the Henry Solls from their daughter, Alice Sigurdsson of Iceland. She and her husband, Ali, won't be able to bet back to Tahoe for a visit this summer but hope to before many more moons have come and gone. She is planning a vacation at the little forest across the fjord soon and will indulge in a bit of salmon fishing and riding. She has come to love her husband's country and feels right at home now, even though folks often take her for Danish descent. Right now she is drawing picture post cards of Iceland for an enterprising Icelander for the tourist trade and gets 100 kroner apiece. Alice writes that all of the American troops have left Iceland now and that this is pleasing to Russia, who may also have an eye on the little island should another war develop. The Icelanders definitely don't want Russia there, and much prefer having the Americans around, rather than the English or Russians. They would much prefer to remain independent but believe sooner or later they must align themselves with some protective power. Alice was having some tooth repair work done by a dentist who was Jewish and who escaped to Iceland when things got too hot in Germany. She sends along best wishes to all her old Tahoe friends.

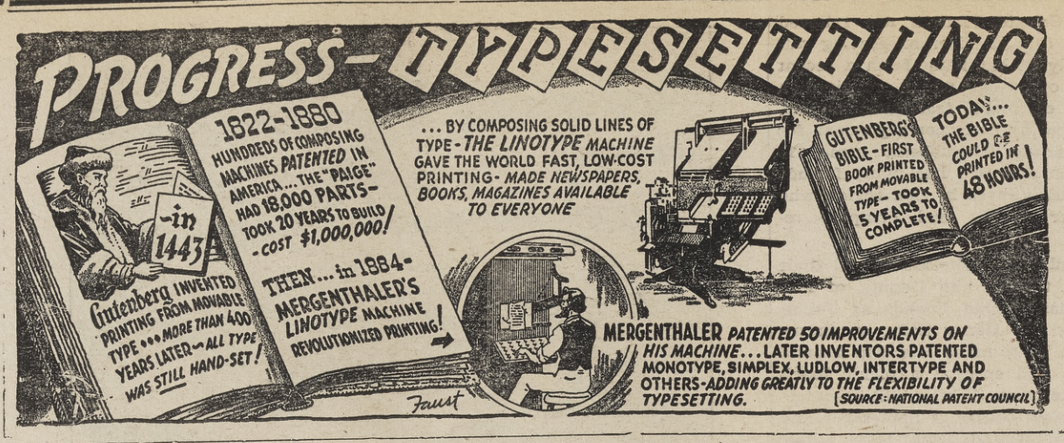
Sea Marine Dick Hinkle left Tahoe last week, following a marvelous rest and vacation, and on the 4th left San Francisco by TWA for Norfolk, Virginia, where he reported back for service on the 7th.

Mrs. William Lyman Griswold Jr., the former Pat Henry, now living at Greenfield, Mass., writes her folks that her small puppy, Fracto, a gift from her husband, has been run over and killed, much to her sorrow. The A. M. Henrys received on Father's Day a very fine photo of Pat's husband, former navy flier taken at the time of the presentation of the Presidential Citation for meritorious service with the Black Cats operating in the southwest Pacific from September 15th, 1943, to Feb. 1st, 1944. Pat and Bill enjoyed the 4th of July holidays at York Beach, Maine, where they relaxed and swam.

Former Staff Sgt. Ernest Collinger, who left Tahoe recently to seek reenlistment in the army providing he could retain his rating at time of discharge, is back at Tahoe for the summer. He found he woul lose his rating, acquired as meat and food inspector during his nine years of previous service, so gave up the idea. He's a mechanic for Henry's Garage in town, as is Lee Peck of Tahoe Cedars, old time resident of the Tahoe region and former merchant mariner.

Delbert Miller, son of Mr. and Mrs. Lester Miller of Auburn, is vacationing with his parents at the home of Mr. and Mrs. Art Sather in Homewood. Mrs. Miller and Mrs. Sather are sisters. Young Miller has a four day furlough which he is spending at the lake. He is a member of the crew of the USS Black Hawk, now in San Francisco harbor.

Ring off for another week and pray this lovely weather will remain with us. The beauties of Tahoe are now at their peak with snow plants starting to wane but all other flowers at the height of their bloom. Down our way the beautiful blue forget-me-nots are adding a brilliant touch to the meadows, which ring from morning to night with the songs of a thousand birds. Good luck, good health and best wishes from yours as ever, Swanee.



PROGRESS—TYPESETTING
1822-1880
HUNDREDS OF COMPOSING MACHINES PATENTED IN AMERICA... THE "PAIGE" HAD 18,000 PARTS—TOOK 20 YEARS TO BUILD—COST $1,000,000!
THEN... in 1884—MERGENTHALER'S LINOTYPE MACHINE REVOLUTIONIZED PRINTING!
... BY COMPOSING SOLID LINES OF TYPE—THE LINOTYPE MACHINE GAVE THE WORLD FAST, LOW-COST PRINTING—MADE NEWSPAPERS, BOOKS, MAGAZINES AVAILABLE TO EVERYONE
GUTENBERG'S BIBLE—FIRST BOOK PRINTED FROM MOVABLE TYPE—TOOK 5 YEARS TO COMPLETE!
TODAY... THE BIBLE COULD BE PRINTED IN 48 HOURS!
Gutenberg INVENTED PRINTING FROM MOVABLE TYPE... MORE THAN 400 YEARS LATER—ALL TYPE WAS STILL HAND-SET!
MERGENTHALER PATENTED 50 IMPROVEMENTS ON HIS MACHINE... LATER INVENTORS PATENTED MONOTYPE, SIMPLEX, LUDLOW, INTERTYPE AND OTHERS—ADDING GREATLY TO THE FLEXIBILITY OF TYPESETTING. (SOURCE: NATIONAL PATENT COUNCIL)

County Assessed Values Up

NEVADA CITY— The assessed valuation of the County of Nevada for 1946-47 is $856,210 for 1945-46, reports Assessor P. G. Scadden. Following is a breakdown of property values as assessed during the new fiscal period:

INSIDE MUNICIPALITIES

In Nevada City	$1,265,900	
Less Church and War Veterans' Exemptions	74,360	
Net Assessed Valuation in Nevada City		$1,191,540
In Grass Valley	$2,691,670	
Less Church and War Veterans' exemptions	165,100	
Net Assessed Valuation in Grass Valley		$2,526,570
Net Assessed Valuation inside Cities		$3,718,110

OUTSIDE MUNICIPALITIES

Total Assessed Valuation of all property	$7,609,950	
Less Church and War Veterans' exemptions	316,660	
Net Assessed Valuation Outside Cities		$7,293,290
Total Assessed Valuation of County Roll for 1946		$11,011,400
Tentative Value of Public Utility Roll for 1946		8,813,807
Grand Total of all property in County		$19,825,200
Assessed Valuation for 1945		$18,968,990
Net Gain over 1945 of		$856,210

WESTERN VETS GET SCHOOL BENEFITS FROM S. F. OFFICE

SACRAMENTO, July 11 —(UP)— A total of 216,044 certificates of eligibility for veterans to enter school or take on the job training in California, Arizona and Nevada have been issued, the regional office of the veterans administration in San Francisco announces.

The office said the total at the end of May was 175,140. The increase since then has been 940,04 certificates of eligibility, the administration figures show.

So far 13,319 claims for World War II veterans for disability pensions or compensations have been adjudicated by the adminstration, according to Col. Thomas J. Cro , administratior chief n the bay ci .

American interests control 56.4 per cent of the world's known oil reserves.

One-quarter of the standing timber remaining in the United States is in Oregon.

SIGNS DRAFT BILL . . . President Truman signs the draft extension bill, extending the draft for nine months and permitting the induction of childless married men in the 19-44 age bracket. Witnessing the signing of the bill are, left to right, Brig. Gen. C. S. Dargusch, Maj. Gen. Lewis B. Hershey, selective service director, and Col. Louis Renfrow. President Truman, seated.

NEXT OF KIN OF OVERSEAS DEAD URGED TO GIVE NOTICE OF CHANGES OF ADDRESS

MAJ. GEN. T. B. LARKIN
Quartrmaster General

The War Department has appealed to those who during the war received notice of the death of a relative in the armed forces overseas to inform the military service to which the deceased was attached if they have changed their address in the United States SINCE THE DATE THE NOTICE OF DEATH WAS FIRST RECEIVED. The Department has been authorized by Congress to ascertain the wishes of the legal next of kin concerning the return and final burial of World War II dead of all military services. The request is made also on behalf of the Navy Department, Marine Corps, Coast Guard, Red Cross and War Shipping Administration.

Many thousands of next of kin may have changed their place of residence since the date they received a telegram from the military services informing them of the death of a relative overseas. Such change of residence, without notification having been sent to Washington, may cause serious delays and make it difficult to send important information to proper persons.

To those next of kin who received notice of death from the War Department, the correct present address SHOULD BE MAILED AT ONCE to

Memorial Division
Office of the Quartermaster General
Washington 25, D. C.

Next of kin who had relatives who died in the other services should mail their correct present address as follows: Those in the Navy to Bureau of Medicine and Surgery, Navy Department, Washington, D. C.; Marines, to Commandant U. S. Marine Corps (Casualty Section) Washington, D. C.; Coast Guard, to commandant U. S. Coast Guard (Casualty Section) Washington, D. C.

TAHOE BRIEFS

The C. W. Vernons entertained guests from Norwalk, Conn., at their home in Bittencourt Tract, who departed for San Francisco on Monday. They were Mr. and Mrs. Elwood Broadway and thier children, Mary and David. Other recent visitors at the Vernons were Ralph C. Vernon, who remained for two weeks, and Ethan Vernon and son, Albin, of Los Angeles, who are now living at Meeks Bay. Both are brothers of C. W. Vernon and Ethan is working as a painter for Floyd Carnell, local contractor.

Mr. and Mrs. Harry Pomin and daughter, Betsy, have been vacationing at the E. H. Pomin home in Tahoe Park. Harry Jr. is a member of the swimming classes being conducted at Tahoe City each morning. A special 4th of July dinner was enjoyed at the Pomin's by Mr. and Mrs. Robert Pomin and children, the Harry Pomins and Mrs. Laura Harris and daughter of Texas. Mrs. Pauline Swedenborg, who assists Mrs. Pomin has gone to Los Angeles for a few days on business.

The new Tahoe Tavern Terrace subdivision is soon to be ready for pubic inspection and sale, according to Tahoe Realty Company which is handling the sales. Lots were expected to be laid out this week.

Mr. and Mrs. M. A. Lopes are spending two weeks at their San Leandro hom. Their son, Melvin, his wife and little son are enjoying a vacation at their Timberland Tract home during their absence.

Mr. and Mrs. Martn Gastman of Sacramento arrived at the home of his aunts, Mrs. John Reedy and Miss Ann McDonald of Timberland, on Wednesday evening, remaining to spend the holiday weekend.

Mr. and Mrs. C. B. Rookwood on Thursday of last week entertained guests at a barbecued steak dinner at their lovely home in Homewood. Those who enjoyed their hospitality included Mrs. Rookwood's sister, Mrs. Keller of Vallejo, Mr. and Mrs. Ryan of Vallejo, Bill Rookwood, Mrs. Spooner and Mr. and Mrs. Henry Soll. Mr. Ryan was chef for the occasion and the guests pronounced his steaks delectable.

Drunk Driving

SACRAMENTO, July 11 —(UP)— The state department of motor vehicles reported today that there were 6,900 drivers who had been drinking who were involved in 574 fatal accidents in 1945, which is an increase of 43 per cent over 1944.

MRS. BRODEHL BACK AT TAHOE REPORTS HUSBAND IS BETTER

TAHOE CITY— Mrs. D. M. Brodehl has returned to her Tahoe City home following a visit with her husband in Oakland, where he now carries the mail between Concord and Oakland. His leg, in which blood poisoning had set in, is much better, according to Mrs. Brodehl.

The Brodehls during the latter part of June won their suit against the state which had condemned 60 feet of their Lodi vineyard and 8-room home property to make room for a four lane highway. The state takes the property but the Brodehls received a more fair compensation than that at first allowed.

Mrs. Brodehl will remain at her Tahoe home for the summer but may move to Oakland with her husband this fall.

Ivan Wilson is the mail contractor who underbid Brodehl on the local contract which started July 1st.

The state department of corrections reports that California prisons received 210 adult prisoners during May, the largest number for any month of the last four years.

American industry produced $65 billions in goods in 1941, jumped it up to $151 billions in 1944.

SUNSETS

20 Years Ago

from the Truckee Republican
July 8, 1926

Sheriff W. G. Robson announced his candidacy for re-election at the August 31 primary election.

The Hobart Mills bridge club spent a pleasant Thursday afternoon with Mrs. H. Siebold. Mrs. G. Lesselyoung and Mrs. P. H. Gordon won prizes.

Mr. and Mrs. D. Saibini and children were in Truckee for the 4th.

County Treasurer T. Garland resigned to become cashier of the First National Bank in Grass Valley.

A special meeting of the Truckee Sanitary District board voted to call a bond election on Friday, July 30. The question to be voted on was whether the district should be bonded for $20,000 for the purpose of building new septic tanks and extending and repairing existing mains and laterals of the sewer system. F. S. Powell and W. L. Maynard were made members of the board to succeed A. Vaughn, who left Truckee, and James McIver, who resigned. Other members were Phil Blume, R. G. Ward and J. G. Kirchner.

10 Years Ago

from Sierra Sun, July 9, 1936

Chris Nielsen was appointed navigation inspector of Lake Tahoe.

Tim O'Hanrahan was opposing the incumbent Supervisor Alex Robertson in his bid for re-eelction at the Aug 25 primary election.

Prime steer beef pot roast was selling at 27 cents a pound at Truckee Meat.

Justice of the Peace C. E. Smith fined three fishermen $25 each for having over the legal limit of trout.

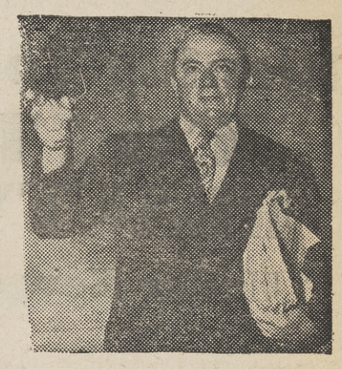
Congressman Harry L. Englebright wired that $70,000 had been appropriated by congress for future work on the Hobart Mills-Sierraville highway.

The department of public works filed action to condemn 61 parcels of land between Brockway and Tahoe City along the rim of the lake for construction of a state highway.

Yvonne Joseph, daughter of Dick Joseph, was recuperating from an appendectomy preformed at the Hobart Mills hospital.

B. C. Canonic was chancellor commander of Summit Lodge, Knights of Pythias; H. G. Boomer, worthy master of the local Masons; Frank Kinne commanded the American Legion, and Agnes Mahne headed Neighbors of Woodcraft here.

It pays to advertise.



SEN. W. LEE O'DANIEL of Texas, shown shortly before arriving at the senate for his promised "talk to death" against OPA. O'Daniel quit after an 8-hour and 20-minute filibuster.

North Tahoe News . . .

by MADELINE C\LLERANI

Swimming classes under the direction of Andrew Hardin will be started Monday morning on the beach at Kings Beach at 9:30 and all adults and children are invited to participate. They will be registered at the beach Monday, July 15. Classes will be given for beginners, intermediates, advanced and life saving swimmers.

Lulubellet, the Shetland pony belonging to Mr. and Mrs. Byron Abbott at Abbott's Cabins, is extremely proud of her baby, Smokey, who is attracting wide attention from young and old. Lulubelle pulls the cart at the Abbott's home when she finds time to leae her tiny offspring. Both mother and baby are cute as buttons

Mr. and Mrs. Jerome Little and children and Mrs. Lucille Mulky are vacationing at the Abbott home. Mrs. Mulky is Mrs. Abbott's mother and Little is Abbott's nephew.

Mr. and Mrs. Wendell Bevers and son of Arvin are vacationing with Mr. and Mrs. Edgar Griffith. Mrs. Bevers is a niece of Mrs. Griffith.

MY PLACE in the SUN

by DOUG BARRETT

One of the first things that marked man's rise above the other beasts was his ability to control them and bend their power to increase his comfort and pleasure. About the finest of these conquests was that over the horse. Today, in our mechanical era, we have outgrown the horse as a utility animal and he survives as a source of pleasure and relaxation to thousands. Nine persons out of ten who ride do so because they like horses, appreciate them and hence are gentle and considerate toward them. This week, down Church Street and through the grammar school yard, a group definitely in the minority of riders, abused the rules of horsemanship and civilization by riding their mounts Tartar fashion. No less than 20 children below school age live in that section of town and it is a blessing that none of them happened to be playing outside at the time. These "cowboys" raced their horses down Church Street—which is quite stony and gravelly—and over the school yard's pavement, then raced back to the intersection with the highway, pulled on the reins to make the mounts rear in the air and repeated the disgraceful performance. There surely must be some way to prevent a recurrence of such less than human exhibitions.

AROUND TOWN: Some of the boys are beginning to show grubby results in the whiskerino efforts....Judge Smith listening to John Cabona and Bob Siri argue fishing....Joe Gini and Joe Digesti coming out of the Coffee Shop in rapt conversation....Angelo Besio, this week's proud new papa....Inez Garrette from Donner Lake with a car full of kids....N. F. Dolley killing a quart of milk at the depot for morning refreshment....Jay Clark carrying around the dance receipts in a strong box....the California Cafe closed Monday to give the help a rest after a record week-end....Truckee Merc has found it necessary to put up a "No Riders" sign in its freight elevator....Althea McGwinn is undoubtedly the best looking butcher I've seen....met Tim Butler of Tahoe Tavern Casino and his proteges at Dick Ackerson's jewelry mart the same day Dick got in his record shipment of sparkling new stock...some one slipped Hazel Lewis a phony coin; a dime and a penny had each been painstakingly sawed in half lengthwise, then thet halves interchanged so the finished coin was a dime on the head and a penny on the back....a lot work for the eight cents profit.

::

International Meet

SACRAMENTO, July 11 —(UP)— Sacramento will be the site of the first session of the world council of young men's service clubs, it was revealed this week.

The council will be organized by service clubs representatives from England, Ireland, Australia, Canada and the United States, who will meet October 5 and 6.

RED DAILY SEES REPUBLICAN WIN LESS 3RD PARTY

Recent primaries, particularly of California and Pennsylvania, have shaken the Democratic party like an earthquake and have provoked Secretary of Commerce Henry A. Wallace to fight publicly a third party movement.

Party chieftans have been unable to decide whether President Truman's leadership or the radical PAC's spending of $6 million to defeat Republicans and further CIO's foothold on the administration is more to blame for the deflection of voters.

The Communist "Daily Worker" wonders if the Democratic Party "led by Truman" can win. "The primary results in California, if we have analyzed them correctly, say emphatically no," it says editorially, adding:

"The issue is not, then, as Wallace puts it, whether a third party should be organized even if its immediate effect is a GOP victory, but whether the GOP can be defeated at all without a realignment of political forces."

Sportsmen Take Issue With Federal Bureau's Duck Forecast, Policy

With hunting seasons for the state set for the coming year, the Associated Sportsmen of California today turned its attention to other problems.

Hugh Worcester of the U. S. Fish and Wildlife Service has intimated the 1946 waterfowl season will be cut drastically. The Associated Sportsmen had received information early last month that the season had already been set—June 10—but as yet the service has not released the dates.

However, from what Worcester has said, sportsmen may look forward to a 30 day season and an eight bird bag limit on ducks.

Wildlife Service propaganda, whether true and accurate or not, has been to the effect that this spring's flight of ducks has been the poorest in years.

Reports from Ducks Unlimited in Canada conflict somewhat to this. Generally speaking, the association surveys show last season's kill far below average. This was due, to a large extent, to the heavy feeding on refuges. Another contributing factor was the late flights of ducks from Canada.

All in all, the association is certain the kill in California, at least, was not excessive, contrary to the claims of the Wildlife Service.

The recommendations for California have been long since forwarded to the Wildlife Service. Whether they are heeded or not, the association's waterfowl committee will study the coming season with especial attention to the numbers of ducks and feeding on refuges.

The Wildlife Service may be correct in its estimates of waterfowl numbers and hatch. If it is, organized sportsmen will be found quite willing to cooperate.

However, a thorough check by sportsmen and the California Division of Fish and Game should be made. If the Wildlife Service is mistaken and hunting curtailed purely by whim of bureaucratic authority, a concerted drive will be launched to correct conditions.

"One state refused to enforce Federal Waterfowl regulations last year", one members of the board of directors pointed out. "There are ways of preserving 'state's rights' besides crying in Washington for relief."

::

Missouri is the only state without a housing shortage. So many residents hae gone to Washington to take a job under Truman. —The Labor Union, Dayton, Ohio.

The United States consumes in the neighborhood of 4,200,000 gallons of lubricating oils daily.

TAHOE FAMILIES TO RETURN TO OHIO EARLY NEXT FALL

TAHOE CITY— A rumor which has been circulating here for some time was confirmed this week by Fred Rost, popular local grocer. He and his fmaily will leave Tahoe for Ohio on September 1st to make their home. All were born and reared there. He and his partner, Harry Roloff, will offer the store for lease or sale. They hope to find some one who will operate under the same policies which have been maintained for the past 40 years by Atherton's Grocery, Rost said.

Tahoeites will miss these two grand families who have proven themselves popular and trustworthy citizens and it is with regret we report their proposed departure.

North Tahoe News . . .

by MADELINE GALLERANI

Tom Branch, formerly of Kings Beach, is now residing in Sparks. Tom is the brother of Orin Branch of Hidden Village in Tahoe Vista.

Mrs. Jo Wheeler, bookkeeper of the Gallerani-Baker Co. of Kings Beach, was taken to a Reno hospital this week.

Mr. and Mrs. J. E. Ergle of Sacramento were house guests over the holidays at the Fred J. Miller home in Carnelian Bay.

Mr. and Mrs. A. Questa and two sons, Gary and Gene, of Sacramento left last Monday after spending two weeks with Mr. and Mrs. J. V. Riolo of Kings Beach.

Mr. and Mrs. Wm. Seevers of Biggs will spend several weeks at Carnelian Bay. Mrs. Seevers is a former teacher of the Kings Beach elementary school.

Mrs. Dorothy O'Brien of Kings Beach was reported very ill this week. Her many friends wish her a speedy recovery.

Mr. and Mrs. Casmiro Martinelli of Michigan spent a week at Lake Forest.

Mr. and Mrs. Al Mott and children, Carol Mae and Irving, of Atherton and Mrs. Mable Pottst and her son, Robert A. Potts, of Berkeley are enjoying a two weeks vacation at Silver Sands. Potts is a prominent stone contractor in the east bay city.

Frank Hale of Kings Beach is in a Reno hospital seriously ill.

Mr. and Mrs. Redmond are building a summer home at Carnelian Bay. The Redmonds formerly were residents of Tahoe Vista, having sold their home there two years ago.

Salvodore Selva is in San Jose enjoying a short vacation.

Mr. and Mrs. Byron Compton of Reno drove to Incline Beach to do a bit of fishing.

Mr. and Mrs. Joseph Tomasen of Verdi visited at the Frank Hale home in Kings Beach on Thursday.

Lee Olmstead of Kings Beach drove to Carson City on Thursday.

Mr. and Mrs. Charles Lahl of San Francisco are at their Carnelian Bay cottage.

Mr. and Mrs. P. JeBien of Palo Alto are spending a few weeks at their home in Wood Vista.

The Fred Links family of Sacramento came up last week to their Carnelian Bay home. Links will return to the capitol city but his family will remain.

Duke and Jerry Scofield of Kings Beach are back home after a two weeks visit in Alhambra.

Charles Nassara, local stone mason, left on Wednesday for Stockton to spend a few days.

TAVERN PURCHASES ESTATE TO HOUSE FIRM'S EXECUTIVES

TAHOE CITY—Tahoe Tavern Properties has purchased the former Fleishhacker estate near Eagle Rock in Tahoe Pines from Mr. and Mrs. Everett Mills, who in turn have owned the property only a comparatively short time. Plans call for Lawrence Curtola, one of the owners of the new Tavern Company, his wife, baby and a nurse to occupy a portion of the large home, as well as Mr. and Mrs. Jay Flagg during their visits here. Executive heads of tavern department may also be furnished apartments there, the estate having been purchased to relieve the crowded housing situation created by the extremely large crew of heldp required to handle the record breaking postwar season.

The Mills have retained several lots adjoining and plan to erect a new home as soon as building materials can be procured. Their home is near Lodi.

The office of Glenn J. Greene, resident manager of Tahoe Tavern, this week releases the information that the owners of Tahoe Tavern have definitely decided to operate the Tavern on a year 'round basis. The regular summer season will end in September, but this year the Tavern will remain open until October 31st. During November and December, extensive improvements will be made in preparation for the winter season which will open on Saturday, December 21st. Installations will be made at the Tavern so that it will remain open all winter and its guests can enjoy all the winter sports. The owners are working on a long range plan to make it an all year pleasure spot.

With the Tavern definitely remaining open this winter, the prospect of developing Olympic Hill and Ski Hill Canyon again comes to the front. Meetings will be held soon between Tavern officials and members of the Lake Tahoe Ski Club to determine the best method of bringing back to Tahoe a winter sports ground second to none in the world.

Olympic hill has everything and with cooperation, can be made into a world famous winter playground.

MISS VERNON SAYS JULY 3RD RECORD DAY AT LIBRARY

TAHOE CITY— Miss Florence Vernon, librarian of Tahoe's branch library, reports this week that on July 3rd all records for the year were broken when 64 books were loaned out in one day and over 100 visitors came in to inspect our accomodations and sign the guest register.

Miss Donaldine Grass of Sacramento and Dollar Hill and Mrs. P. G. Pennoyer made donations of books last week.

Among new books on the shelves are Paul Revere and the World He Lived In; How Green was My Valley; Mrs. Miniver; Smoke Screen; Ernie Pyle's This Is Your War; The Black Rose; Ride With Me; Hungry Hill; Frenchman's Creek; Valley of Decision; Sratoga Trunk; Miss Susie Slagle's, and Death of Lord Haw Haw. Many others have been ordered and are being awaited.

A new home has been erected in popular Timberland Tract by Paul Scaglon of Oakland, who is doing the building himself. It has just been completed and will soon be ready for occupancy.

TAHOE PARK CIVIC GROUP HAS MEET ON SATURDAY AFT

TAHOE PARK— Between 30 and 40 residents of the Tahoe Park district were present at the meeting held near the wharf of the park on Saturday, July 6, at 3 PM. A. J. Caton of Reno presided and A. H. Goddard of Berkeley took down the minutes. Wade Snook, president of the group, was not present.

Members of the Tahoe Park Association voted to purchase a raft which will be anchored near their wharf, as a safety measure this summer. Assessment rates in the district will remain the same as last year—$1 for a lot, $5 to $6 for a home and not more than $25 for any hom in the tract. Money raised in this manner is spent for improvements in the subdivision. Stress was laid upon the residents to be certain when selling, that their deeds contain the provision that sale to Asiatics or colored people is prohibited.

Lincoln Dempsey of Vallejo, son of Cecil Dempsey, genial clerk at Atherton's Grocery, has been employed by Atehrton's for the summer.

CAPITOL CITY ELKS PLAN TAHOE PARTY SEPTEMBER 28, 29

SACRAMENTO—Sacramento Lodge No. 6, BPOE, will hold a two day party at Brockway, Lake Tahoe, on September 28 and 29 with 250 couples planning to attend. On September 28 there will be a dinner dance. Breakfast and uncheon will be served the next day. Outdoor sports will include swimming, golf and baseball.

W. L. "Bill" Dupen is general chairman.

LODI LAD AT LAKE RATES WITH BEST AS ABLE ANGLER

TAHOE CITY— Richard Brodhel, 13, grandson of the D. M. Brodehls who lives in Lodi and who accompanied his grandmother back to Tahoe last week, has established himself as a fisherman of note already, despite his recent arrival. On Thursday afternoon last he caught a 7 pound, 23 inch German Brown trout about a mile down the Truckee River from the bridge at Tahoe Y. He used a No. 12 hook, 8 pound tester leader, regular line and a single salmon egg to lure the wriggling beauty onto his hook and had quite a fight to bring him in. His companion, Howard Carnell, lent a hand as he neared the shore nd grabbed him. That same day he brought in seven nice Eastern Brook, ranging around six inches in length, from Antone Meadows. During his first four days he landed nine other fish, including a 7 inch Loch Leven, from the Truckee and about 30 smaller fish including an 8 inch Rainbow from the pier in town.

Mr. and Mrs. Art Sather also had a bit of luck on their fishing trip to Miller Lake. Mrs. Sather brought in a 5 pound German Brown and her husband hooked a 4 pounder. They reported a fisherman there for every fish.

Harry and Ernest Pomin of Tahoe Park recently fished with success at both Cascade and Buck Lakes, bringing home a nice mess averaging around 10 inches.

Bob and Bud Fox, Sherwood Prusso and Bob Stark, the latter now back at San Diego naval base after his furlough, all reported taking limits from the back lakes during the past week or ten days, so looks like fishing is picking up in these parts.

LAKE WOMEN'S CLUB GETS TWO BIDS TO VISIT TRUCKEE CLUB

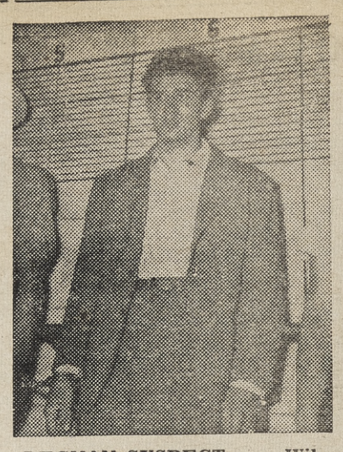
TAHOE CITY— Members of the Women's Club of Tahoe met on Tuesday last, July 2nd, in community hall for their regular monthly business meeting. Mrs. Ben Callender, the president, presdided.

Two invitations were received from members of the Truckee Wyethia Club who will welcome the attendance of the Tahoe ladies at their annual silver tea, to be held between 2 and 4 on Thursday, July 11, at the home of Mrs. Edith Fay. The second bid was for July 18th at which time Mrs. Hazelton, northern district president, will visit the Truckee Club and Tahoe ladies are invited to attend and hear her talk. The Tahoe group plans to send representatives to both affairs and accept with appreciation.

The next business meeting will be held in community hall on August 1st at 2 PM.

—::—

With only 6 per cent of the world's land surface and 6½ per cent of its population, we possess, in proportion to the rst of the world, 80 per cent of the motor vehicles and tires.



DEGNAN SUSPECT . . . William Heirens, 17, Chicago's No. 1 suspect in the kidnap-killing of little Suzanne Degnan, is shown as he appeared in police showup. Evelyn Peterson, former army nurse, tentatively identified Heirens as the man who assaulted her during a burglary attempt in her apartment last October.

Kilners Purchase Estate As Permanent Residence

TAHOE CITY— Mr. and Mrs. Fred Kilner of Homewood have purchased the former V. S. McClatchy estate in the Sunnyside District and plan to make the lovely lakeside home their permanent residence. The large house is built of brick and besides a spacious beach, also boasts a swimming pool. No definite atde has been set for moving as they plan to do a great deal of remodeling and improving first and this may not be completed, due to scarcity of materials, until next year.

F. A. Kilner & Co. handled the recent sale of the Richard Kirman summer home, adjoining Pomin's Hotel, to Mr. and Mrs. Carl Neldom of Orinda. Mr. and Mrs. Wallace Taber purchased a lot next to the former Kirman home and plan to build in the near future. Mrs. Taber is the former Claire Kirman.

"UNREAL REALITIES"

IN THIS AMAZING AMERICA

RAINMAKERS

Near Gallup, New Me[illegible]e Hopi Indians every year put on weird ceremonial dances, with snakes in their mouths, while they pray to their gods for rain. Strangely enough, it usually does rain soon after the dances end.

LAKE IN A VOLCANO

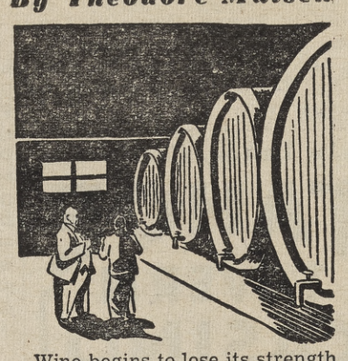
A lake six miles long and four miles wide lies in the crater of a volcano that died centuries ago. Crater Lake, Oregon, is over 6,000 feet above sea level, has no known inlet or outlet, and never freezes.

CARRYING A NATION

For every hour of every day 23,000 people ride Greyhound buses—over half a million daily. In nine months 148½ million passengers (more than the entire population of the U. S.) ride by Greyhound throughout America.

IT'S TRUE

By Theodore Maisch



Wine begins to lose its strength after 200 years.

Ancient Rome had traffic laws 2,000 years ago which barred carts and commercial vehicles from the streets during the hours when persons went to and from work.

Prior to the year 1860 only two state universities in this country admitted women.

The whaling industry in 1846 employed 40,000 men and did $8,000,000 worth of business.

Skippers of British East India company ships two centuries ago had personal trading privileges which earned them about $25,000 for each voyage; one captain made $60,000 in one trip.

There are 62,000 miles of blood vessels in the human body.

The Great Nebula in Andromeda is one million light years away.

Fruit tree pollen can be kept in cold storage for several years.

Fred Houser Is Victor Over Two In Campaign For L. A. Judicial Post

LOS ANGELES— Frederick F. Houser, lieutenant governor of California, who declined to seek reelection in preference to running for superior court judge in Los Angeles county, has been elected to the post he sought over two opponents in the primary election.

The final returns gave Houser 352,514 votes to 134,672 for incumbent Judge Myron Westover and 143,190 for Judge Ida May Adams. The victor's majority was 44,652.

Superior Judge Goodwin Knight and State Senator John Shelley are candidates to succeed Houser as lieutenant governor at the November 5th general election.

Income of State Citizens Above Official Estimate By More Than $20,000,000

SACRAMENTO, July 11 —(UP)— Income of California residents, as gauged by state income tax collections, continued to climb after the war, it was disclosed today.

For the fiscal year ended June 30, income tax collections were over $55,000,000, Franchise Tax Commissioner Charles J. McColgan announced. That was about $12,000,000 more than for the pervious 12 months and $20,000,000 more than state officials had hoped for.

Businesses also paid taxes at higher than expected rates. Collections of corporation franchise taxes amounted also to about $55,000,000. The figure was about $2,000,000 less than during the previous fiscal year, but above forecasts.

You know what you want in the way of new appliances for your home and you are going to have them! An electric washer that does all the work of getting clothes white in a jiffy... a big new refrigerator or one of the marvelous Home Freezers for storing frozen foods... an ironer and an electric dishwasher that washes and dries dishes, silverware, glasses. All these probably will be your proud possessions in the near future. Right now, if you are planning to build a new home or remodel your present one, is the time to make sure your plans include fully adequate wiring to serve these new home servants with full power for lowest operating cost. Adequate wiring consists of these essentials: Plenty of outlets, plenty of light switches and wires large enough to handle your electrical equipment for years to come.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA

EARL E. JOHNSON and ELVA V. JOHNSON, Plaintiffs
—vs.— No. 8567
PACIFIC IMPROVEMENT COMPANY, a corporation, NONETTE HENNESSY, BLISS I. HINKLE and GEORGE F. KELLEY, as co-executors of the estate of Leonora Gertrude McGlashan, also known as Leonora G. McGlashan, also known as L. G. McGlashan, deceased, HATTIE BEST, J. A. SILVEY, and also all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to the plaintiffs' ownership or any cloud upon the plaintiffs' title thereto, Defendants.

SUMMONS IN ACTION TO QUIET TITLE

Action brought in the Superior Court of the State of California, in and for the County of Nevada, and the complaint filed in the office of the clerk of said County of Nevada.

VERNON STOLL, Esq.,
Attorney for Plaintiff
Grass Valley, California

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

PACIFIC IMPROVEMENT COMPANY, a corporation, NONETTE HENNESSY, BLISS I. HINKLE and GEORGE F. KELLEY, as co-executors of the Estate of Leonora Gertrude McGlashan, also knwn as Leonora G. McGlashan, also known as L. G. McGlashan, deceased, HATTIE BEST, J. A. SILVEY, and also all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to the plaintiffs ownership or any cloud upon the plaintiffs title thereto,
DEFENDANTS:

YOU ARE HEREBY NOTIFIED that an action has been commenced against you in the above entitled court, by the above named plaintiffs, for the purpose of determining all adverse claims to and clouds upon the title to all that certain real property situate in the County of Nevada, State of California, described as follows, to wit:

Lots Nos. 14, 15 and 16 in Block "H", according to the official map or plat of the Town of Truckee, Nevada County, California.

YOU ARE HEREBY DIRECTED to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Nevada, within ten days after service on you of this summons if served within the County of Nevada, or within thirty days if served elsewhere.

Given under my hand and the Seal of the Superior Court of the State of California, in and for the County of Nevada, this 7th day of May, 1946. Jy4,11,18,25

R. N. McCORMACK, Clerk
By R. E. Deeble, Deputy.

TAX DELINQUENCY IN THIS COUNTY AT VERY LOW FIGURE

NEVADA CITY— Miss Elma Hecker, county tax collector, reports that final tax collections on a charge of $489,695.52 leaves a balance of $2,794.77 unpaid. This will make a percentage of .0057 being delinquent. The county taxes after June 30 will have to be paid by a redemption through the county auditor's office. Many of the delinquencies are due to the fact that the taxpayers have disposed of property since March 1, 1945, and the present owners have failed to inquire or pay the amounts due.

The sea lions which inhabit San Francisco's Seal Rocks are legal residents of the city, and wards of the city and county park commission.

REAL ESTATE BOOM IN STATE IS SHOWN IN OFFICIAL REPORT

SACRAMENTO— It seems that everyone wants to get into the act, at least State Real Estate Commissioner Hubert B. Scudder reports that licenses to persons entering the real estate business arer more than three times the number issued last year.

In May, Scudder said, 3077 applicants received real estate licenses, compared to 862 in the same month last year. He said the number of new subdivisions opened in California has reached "tremendous proportions" and that an active speculative market is developing in residential building sites.

California's milk production in 1945 was valued at $365,000,000.

NEVADA COUNTY'S CANDIDATES SPEND $5,200 IN CAMPAIGN

NEVADA CITY— County Clerk R. N. McCormack revealed this week that $5,200.24 was spent by candidates for the primary election on their campaigns.

Highest single affidavit filed was that of W. E. Wright, unsuccessful candidate for superior judge whose total expenses went on record as $732.69. He was followed by James Snell with $692 and Vernon Stoll with $530.81, both candidates for the same office as Wright Snell and Stoll face a deciding contest in the November general election.

The two next highest were District Attorney Ward Sheldon who spent $447.08 in his successful bid for re-election. In the six way race for sheriff, Wayne Brown, unsuccessful candidate, reported expenses of $306.99.

McCormack reports all candidates filed their statements with the exception of Thomas J. O'Dea, also an unsuccessful candidate for sheriff. Candidate's expenditures were as low as $20. Incumbent candidates without opposition spent an average of $35.

BANK OF AMERICA EXPANDS SERVICE TO CHINA, MANILA

Bank of America has been notified by the board of governors of the Federal Reserve System, Washington, D. C., that the bank's applications for permission to establish branches in Shanghai and Manila have been granted, according to L. M. Giannini, president.

"There is general agreement," said Giannini, "that much of the future growth of our Pacific Coast rests upon the development of trade with the Far East. This contemplated extension of actual banking operations to the Orient is one further step in Bank of America's plans to foster such international trade."

It is said that this will be the first extension by any Pacific Coast bank the the Far East. Announcements as to personnel and the nature of the Shanghai and Manila operations are deferred until a later date.

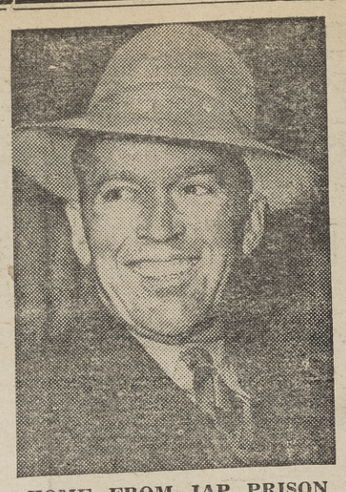
Mrs. Ocker's Guests—
Mr. and Mrs. W. P. Warmsley of Roseville were Sunday guests of Mrs. Clara Ocker.

At Home—
Mrs. W. F. Wilkie has returned home from San Francisco where she had accompanied Mrs. W. F. Volmar and Miss Jocelyn Volmar.

Return from Eureka—
Mr. and Mrs. Ray Roberts returned from Eureka last week end where they were called by the illness of his father.

Visits Sister—
Mrs. Ethel Shellhorn of Stockton is visiting her sister, Mrs. George Waters this week.



HOME FROM JAP PRISON . . . Captured on Wake island where he was a civilian construction worker, Mark Lewis Streeter of Ogden, Utah, who was imprisoned by the Japs 44 months, flashes a smile of happiness because he is home at last.

The Federal Reserve Bank of San Francisco is built on ground above the hulls of buried sailing ships, one of which was the city's first prison.

John Wise of Philadelphia, balloonist, flew from St. Louis, Mo., to Watertown, N. Y., on July 1, 1859, covering 1120 miles in 20 hours.

Animals in Fleishhacker Zoo in San Francisco live in reproductions of their natural environments, separated from the public by deep moats.

From Galt—
Mrs. Marie Cabona visited from Galt this week.

Mrs. Blaney Dies—
Mrs. Carrie Blaney, former local resident, died at the home of her daughter in San Francisco the latter part of June, following an illness of several weeks.

Visits Here—
Mr. and Mrs. Ralph Cottrell and their daughter, Mrs. Connie Krueger, of Detroit were the guests this week of Mr. and Mrs. Al Bradshaw. Mrs. Krueger was a former resident of Truckee while her husband, George Krueger, was stationed at Donner Summit with the army. He was later killed in action in Europe.

Fall Wedding—
Wedding plans for fall are being made for Miss Theresa Ann Nagle of Roseville and Walter Lyle Dougherty of Davis. Miss Nagle is the daughter of Mr. and Mrs. Francis Nagle. The family spends the summers at their Donner Summit home.

Returns to Oakland—
Dr. Clark Burnham Sr. was returned to his home at Oakland, following a sudden illness at his Truckee River vacation home.

Bruin vs. Autos—
A large bear was hit and knocked down by two cars on the highway near Deer Park Lodge Tuesday but was seen to pick himself up after his conflict with man's mechanical weapon and slowly walk into the hills.

It pays to advertise.
